

**Certificate of health**

Date 2022-03-09

Diary number 2022-4914

Valid to: 2023-03-09

**Manufacturer:**

B Engelhardt & Co AB  
Reningsverksgatan 10  
Västra Frölunda  
Sweden

This is to certify that:

- the products are manufactured in Sweden.
- the Food division of the Environment office in Gothenburg has registered the establishment according to Regulation (EC) 852/2004 of the European Parliament and of the Council.
- the Food division of the Environment office in Gothenburg controls the food business operator with regards to Regulation (EC) 852/2004 of the European Parliament and of the Council.
- products from the manufacturer are produced and packed in premises approved as a food establishment according to the legislation mentioned above.
- products from the manufacturer are regarded as fit for human consumption and may be sold and consumed without restrictions in Sweden.

**Compliance of GMP**

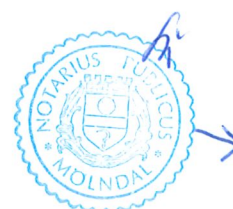

The Food division of the Environment office in Gothenburg issues health certificates for goods manufactured at establishments under its official control. Products that fulfill the EU legislation are also freely exported to non-EU countries without restrictions.

GMP and HACCP are both systems that aim to ensure the safety of food, chemicals and pharmaceuticals. This certificate is issued by the Food Division in Gothenburg and certifies that the facility is run by HACCP which is a manufacturing standard that meets the GMP standards.
